

## Stage 2: Minibeast in your Garden

Draw a line to label the insect

Head

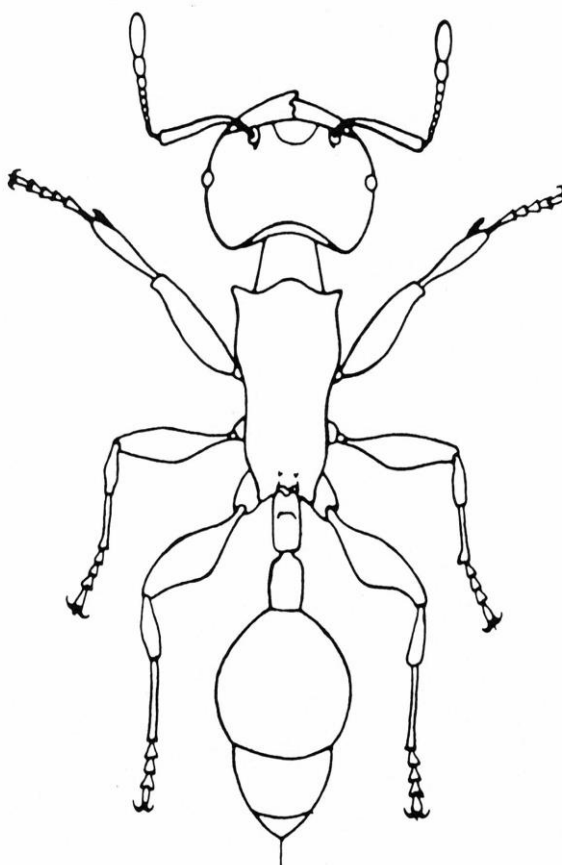

Thorax

Antennae

Jaws

Legs

Abdomen

### Activities: Observations outside

Sit quietly and listen for 2 minutes. List the urban and natural sounds you hear, list the sounds.

**Urban**

**Natural**

# Sydney Science Education

Explore your garden or local park for 10 minutes. Record the type of Minibeast and the numbers observed. Look on the ground, in the trees and shrubs and in the air.

Type of Minibeast	Number of Minibeasts

Use the key to help you identify the Minibeasts in your Garden.
